

## WHAT WE DO

The Peer Advisory Committee provides local agencies opportunities to consult community members who have lived/living experience with addiction, through monthly closed session meetings.

## WHO WE ARE

We are a compassionate, invested audience for service providers in Grey Bruce, using our lived experience to give honest feedback on addiction and mental health programs. Our goal is improvement, through increased accessibility, connection between agencies, and a comprehensive approach to the host of challenges the service-user faces.

## OUR VALUES

### OPENNESS

receptive to change and new ideas

### COMPASSION

accept where each person is at on their journey

### ACCOUNTABILITY

responsible for words and actions

### NON-JUDGEMENTAL

everyone's perspective is valuable

### INCLUSIVITY

respect and value diversity

### CONFIDENTIALITY

respect sensitive information

The Peer Advisory Committee is a project of the Grey Bruce Community Drug & Alcohol Strategy, which receives funding from Grey County and Bruce County, and is hosted by the Canadian Mental Health Association of Grey Bruce.
